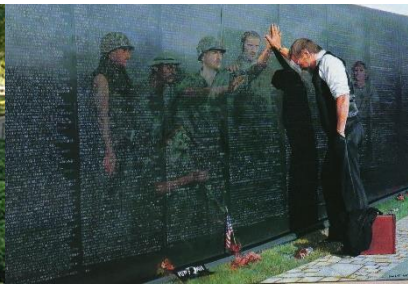
JOINT SPECIAL PROJECT
HONOR FLIGHT CONNECTICUT



The **Honor Flight Connecticut** program transports Connecticut Veterans to Washington D.C. to visit memorials built and dedicated to honor those who have served and sacrificed in our military on behalf of America. This is a powerful and emotional journey many veterans may not otherwise have been able to make. The trip is free of charge and escorts are provided to those Veterans needing assistance.

Participation in an Honor Flight gives Veterans the opportunity to share this momentous trip with other Veterans, to remember friends, Comrades lost, and take a step back in time. Additionally, it allows Veterans to share their memories and stories with their fellow Comrades in a setting honoring them and their service.

In 2019, 23,045 Veterans participated in the Honor Flights, and since 2005 over 245,178 Veterans have been flown to Washington D.C. to experience the somber effects of the monuments.

We are pleased to partner with the Connecticut Veterans of Foreign Wars, and CEO Matt Sparks of Honor Flight Connecticut and his organization to help Connecticut's Veterans experience this tremendous program.

Please make your donation payable to: CT VFW Auxiliary, write "Honor Flight CT" in the memo area and mail to: Anne Philippon; 12 Baldwin Drive, Bristol, CT 06010-3005.
