Dear Prospective Tunnel to Towers (Target CT for T2T) Donor,

St. Michael Post 1562 - Catholic War Veterans and Auxiliary of the USA (C.W.V.) is spearheading the 2025 **“Target CT for T2T”** campaign during the months of August, September and October. The campaign is a grassroots fundraising project to which your donation will be earmarked specifically for any T2T initiative conducted in the **State of Connecticut for First Responders and Veterans.** This campaign was first introduced in August 2024 and kicked-off throughout the “Naugatuck Valley” towns of Derby, Shelton, Ansonia and Seymour. Last year’s goal was \$10K but because of the many generous donations, the campaign raised over \$16K.

Tunnel To Towers has already helped four first responder’s families in Connecticut by paying their mortgage or other financial liabilities for Norwalk Fireman Craig Anthony Saris, Norwalk Deputy Fire Marshall Luca Feola, Bristol Police Sergeant Dustin Demonte and Connecticut State Police Sergeant Brian Erik Mohl. By donating directly to the **Target “C” “T” for T2T** campaign, your donation is earmarked specifically for Connecticut rather than going into T2T’s general project fund.

Because of our success in 2024, the Tunnel To Towers organization is fully supporting the efforts of CWV Post 1562 and Auxiliary to kick off the **2025 Target CT for T2T** campaign in August. The campaign focuses on soliciting your donations during the month of September {remembering the events on 9-11} but online donations to the Target CT for T2T campaign will be accepted year round.

DONATION WEBSITE:

Tunnel to Towers has set-up a web page dedicated specifically for the 2025 **“Target CT for T2T”** campaign. With your help, we hope to expand the campaign throughout the state of Connecticut and exceed the \$16,000 amount raised last year. Thank you very much for considering a donation which will be used in Connecticut.

PLEASE MAKE YOUR DONATION TO THE TARGET CT FOR T2T CAMPAIGN USING THIS URL:

or this **“Target CT for T2T” QR Code**

Making your donation directly to the **Target CT for T2T 2025** campaign’s website (different URL than T2T.org’s webpage) insures that your donation is earmarked for Connecticut. Each individual, organization or business will receive the appropriate tax-deductible recognition by the T2T Foundation. St. Michael’s Post 1562 will not handle your donation unless you request us to do so.

The Tunnel 2 Towers Foundation has proven its vital support for Veterans, First Responders and their families. More importantly 95.1% of every dollar goes to the T2T mission. Thank you for your anticipated help to fund raise for “Target CT for T2T” campaign. No amount is too little; many individuals donating “a little” will yield a generous contribution to the cause.
