Greetings,

Our annual "Hike to Remember - XIII" will be held Saturday, September 20, 2025, in Glastonbury, Connecticut. The Marine Corps League Detachment 40 is proud to support local veterans. Our mission to unite Veterans and service members from all branches and walks of life. It is the most important aspect to combating Veteran suicide. We all served for the common good of our nation. Each year's hike is designed to join forces and support the fight to end Veteran suicide. Additionally, to support Veterans and their families in times of need. We invite anyone who has served to join us and participate in our 22k Hike. We welcome their friends, family and/or any supporters to join us all for this community event. We will provide anyone who has served access to a network of fellow service members who they can turn to. This is critical if they find themselves facing difficult times. Our goal is always to inspire comradery, support, and form lasting relationships.

Your financial support is extremely important to The Marine Corps League Peter P. Monaco Jr. Detachment 40's non-profit. We rely on donations to provide services in the community to Veterans and their families that are sorely underfunded by the government. With your help we can continue to provide the level of support our Veteran Community needs and deserves.

Our hike attracts more and more attendees each year, but we depend on the added support of our friends, family, and the business community. Would you consider providing a donation and/or a corporate sponsorship to support our organization and help us to provide resources for so many Veterans and their families that are in need?

Thank you for considering supporting this very worthy cause. For more information, please visit our website [MCLDET40.org](http://MCLDET40.org) or contact us at [peterpmonacojr@gmail.com](mailto:peterpmonacojr@gmail.com).

Sincerely,

## BECOME A CORPORATE SPONSOR

**23 Veterans** are dying by suicide every day. Your business can help make a difference to our nation's heroes and warriors; they need your help.

When it comes to suicide amongst our Veterans and service members there can be no misses. There is no margin for error as the stakes are too high. It is a responsibility of our community to join forces to aid in the prevention of Veteran Suicide. You can take part in uniting this community, on September 20, 2025, by sponsoring our Hike XIII. Our goal is to create a community for these men and women to get the support and help they need and get them involved in community outreach. Your generous sponsorship will allow us to grow our programs and will enable us to UNITE all members of the armed forces with the local community.

**We are proud to UNITE our community and support suicide prevention and awareness with our sponsorship level of:**
